## **Parte B. RESUMEN DEL CV (máx. 5000 caracteres, incluyendo espacios):**

My main research topic concerns the application of new technologies to accounting, business administration and finance. In this field, I have published more than 40 articles in scientific journals, indexed in JCR / SCOPUS, accumulating more than 1500 cites (Publons H:15) and 1900 (Scopus H:17) respectively. As a result of the impact of these publications, I have been included in the "Ranking of the World Scientists: World's Top 2% Scientists 2020", published by Stanford University (USA). <https://doi.org/10.1371/journal.pbio.3000918>. My research activity 1996-2001, 2002-2008, 2009-2014 and 2015-2020 received a positive evaluation from the National Agency for Quality Assessment and Accreditation (ANECA) in 2002, 2009, 2015 and 2021, respectively.

I am co-editor of the International Journal of Digital Accounting Research, and have served on editorial boards of several respected journals, including Global Perspectives on Accounting Education, International Journal of Accounting, International Journal of Managerial and Financial Accounting, Journal of Emerging Technologies in Accounting, Journal of Information Systems and New Review of Applied Expert Systems and Emerging Technologies.

Member of the board of directors of the Spanish Accounting and Business Association (AECA) where, I was the Secretary (2001-2008), and currently (2009-) the President of the Commission for New Technologies in Accounting. Founding member and coordinator of the provisional jurisdiction of XBRL Spain (2002-2004) where, since its constitution as a full jurisdiction in 2004, I served as Vice-president (2004-2016). In 2011 I was elected for the Finance and Human Resources Committee of XBRL International (2011-2013) and in 2012 for the Executive Committee of XBRL Europe (2012-2014). In 2017, I was a co-founder and currently a member of the board of the Spanish Observatory BIDA (Big data, artificial intelligence and data analytics).

At the University of Huelva, I organized a number of conferences: The International Meetings on Artificial Intelligence and Emerging Technologies in Accounting (1995-2000), the Simposiums de Contabilidad Digital Universidad-Empresa (2001-2003), the Digital Accounting Research Conferences (2004-2006), the Jornadas de Análisis de la Información Empresarial y del Sector Público (2008-2013), and the 41st, 44th and 48th World Continuous Auditing and Reporting Symposia (in Huelva, 2017, Sevilla, 2019 and Madrid, 2020, respectively).

I have been a visiting researcher/professor at a number of universities including Sacred Heart University, Milan, Italy, 1995, Queen's University, Belfast, Northern Ireland, 1997, Rutgers University, New Jersey, 2000, Universidad Nacional del Litoral, Argentina, 2000, University of Ljubljana, Slovenia, 2004, Hogeschool of Gent, Belgium, 2005, Pas de Calais International Business School (ESCIP), France, 2006, Hochschule Liechtenstein, 2007, Laurea University of Applied Sciences, Finland, 2008, King Sigismund College, Hungary, 2009, Budapest Business School, Hungary, 2010, Latvia University of Agriculture, 2011, Zhuhai City Polytechnic, China, 2011, 2012, 2013, 2014, Xiamen Ocean Vocational College, China, 2011, 2012, Tilburg University, 2012, University of Latvia, 2012 and Gdansk University of Technology, Poland, 2016. In 1997, I received the Award for Notable Contributions to Artificial Intelligence/Expert Systems Teaching in Accounting (AI/ET Section of the American Accounting Association).
