

Blended Intensive Programme

Exchanging Good Practices in the International Education Field

March-May 2025

Organisation

UHU – University of Huelva

ISCTE – University Institute of Lisbon

UTB – Tomas Bata University in Zlín

Abstract

One of the PIONEER Alliance aims is to promote internalization for all (WP2) and an International Plan that establishes the common features among the PIONEER member institutions.

With this BIP programme the University of Huelva plans to outline the implementation of a common strategy that will allow the Consortium members to work in an international model promoting not only the usual Erasmus+ Programme exchanges but also a possible staff scheme to foster the internationalization of its administrative and academic staff members.

Dates

On-site component: 31st March - 4th April 2025

Virtual component: 13th May 2025 (parallel sessions: faculty and staff)

The on-site component will take place at the University of Huelva (Huelva, Spain).

This mobility will be organised as an Erasmus+ BIP and therefore, it is mandatory to participate in the virtual and the on-site components.

Application period

Until January 30th, 2025

BIP Language

English

Participants

Administrative staff from International Relations Offices and academic staff with experience and/or interest in the internationalisation field.

An active participation of all participants is expected to enrich the exchange of experiences and its practices.

The minimum number of participants is 15 and the maximum number of participants is 25.

Costs

The BIP has no registration fees. All meals and activities offered in the programme are free of charge, unless otherwise specified.

Accommodation and travel costs should be borne by participants and/or their universities.
